

Smartovate — Events & Community Engagement

- **COMEX 2025** (Oman Convention & Exhibition Centre, September 8–11, 2025) — Smartovate showcased its AI-powered solutions, represented by CEO & Founder Dr. Abdelkhalek Bakkari, exploring how innovation from Oman can shape the future of work worldwide.
- **Agentic AI Conference** by Data Science Dojo (September 15–19, 2025) — attended to engage with AI thought leaders on emerging technologies, trends, tools, and challenges through tutorials and panel discussions.
- **SecuriNets FST collaboration** — a partnership bridging academic learning and real-world careers, giving students and tech enthusiasts a 70% discount to access Subul.
- **Cyber Horizon 2.0** — partnered to support participants with opportunities and access to Subul.
